Sorry I'm so late in replying – the rough draft looks to be correct – did you want something in the blank before Dallas' name? We also had a baby who lived only one day – Ashley J. Katz – born July 24, 1964 – died July 25, 1964. He was born at Hays, KS and is buried at Kinsley, KS. You can include this if you want.

Following are some biographical facts – I'll let you work up the paragraph so it will be in the same style as the other entries.

Schooling

Lyle: Graduate of Fort Hays State, Hays, Kansas – June 1966
B.S. in Agriculture

Mary Ann: Graduate of St. Marys of the Plains College,
Dodge City, KS – June 1970
B.S. in Secondary Education

Occupations

Lyle: Farmer and rancher
Mary Ann: Housewife
Dallas: student at Spearville Junior High

Church

All of us are active members of Our Redeemer Lutheran Church at Kinsley, KS. Lyle has held various offices on the church council. Mary Ann has held offices in the Lutheran Women's Missionary League on both local and zone levels. Dallas is currently attending Confirmation classes and will be confirmed in May, 1981.

Hobbies:

Lyle: horseback riding and training horses
woodworking

Mary Ann: sewing, quilting, wheat weaving

Dallas: basketball, swimming, building models,
woodworking.

Hope this information will help you.

Sincerely,

Mary Ann Merwin Katz

Dear Cousin:

As you may know, we are preparing a supplement to the Merwin Family in North America.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Merwin surname.

Your assistance is much appreciated.

Sincerely,

Merwyn

Dear Mary Louise:

One of the difficult problems of my work on the Merwin Supplement is locating some of the persons mentioned in The Merwin Family in North America. Perhaps you could help me locate some persons who are related to your husband in or near Dowagiac? These are as follows.

#4576 (MFNA) Bernice Merwin who married Harry S. Butchett who had a daughter, Mary Josephine Butchett. They lived in Perham, Minn. Bernice's father was Jesse Eugene Merwin a son of William Jesse who was a brother to Orrin E. Merwin, your husband's grandfather.

#4579 (MFNA) Howard Smith Merwin married #4587 Winifred Merwin who in 1964 lived at 764 Columbus St., Benton Harbor, Mich. They married in Dowagiac in 1908 and had a daughter Clarabelle. His father, Marshall Prentice Merwin was also a brother of your husbands' grandfather.

Any assistance you may give me will be most appreciated.

Sincerely,

Merwyn

Dear Mary Louise:

We sent a copy of MILESTONES to your granddaughter, Mrs. Charles A. Serene, to 339 Birch St., Mountain Home ID 83647 and it was returned marked, "undeliverable as addressed". Would you please give me her present address?

After we attended the Merwin reunion in Farmington MI this past June, my wife and I attended Elderhostel at Albion College in Albion, Michigan. This was the first time either of us had been in your state and we enjoyed it very much.

I hope you and yours are well.

Dear Mary Louise;

Many, many thanks for your letter of Feb. 16th and all the info you gave me.

I'll look forward to whatever data you can find about Orrin E. and his children Charles and Elizabeth in the Spring.

I wrote to Bill for information about his new wife. Too bad I didnt have the picture you sent me in 1977. We would have included it in MFNA. No decision has yet been made about pictures in the Supplement, but I'll keep it in my file just in case I can use it.

If you have any communication with Catherine or Elmer, your brother and sister in law, please encourage them to answer my letters requesting information?

I have completed the records of all your children except for Nancy Sue and her married son. She hasn't answered my two letters.

Betty and I just returned from a vacation in Florida. Our kids gave us airline tickets for our anniversary. We had a wonderful time.

Keep well.

Best regards,

Merwyn

Hi Merwyn -

In answer to your letter of Jan-28-82.

✓ H. 4584. I have completed the enclosed forms and made some corrections in the spelling of names.

In the letter you ask about Orrin E - Merwin.

When Orrin E and Phoebe Brady Merwin [David Brady Merwin, my fatherinlaw] parents were divorced Orrin E left Cass County and settled in Emmet Co. Mich -

Little was known about him for years - However we do know he founded a settlement called Bliss in Emmet Co. Built a Church and it still stands. He and a son Charles are burried near the Church in Bliss.

Orrin & I will be going north in May and will go to Levering, County Seat of Emmet Co. and search records to see what we can find out and advise -

The family Bibles have come up missing - No one seems to know where they are - However we do know Phoebe Brady Merwin's fathers Name was David Brady - If I can find out from any one or any place what her parents Names were Ill write you. We searched in the Cass Co. records and came up blank -

Mary Louise -

Dear Mary Louise:

May I ask your help again?

Enclosed is a rough draft of David Brady Merwin's family. Can you tell me where he was born? (City + state). The date of his marriage and place (city + state) where he was married. Where was Nellie Brady Merwin born?

I see that David Brady Merwin's father, Orrin E., married second and then had children Elizabeth and Charles by his 2nd wife. Can you help me contact either of them or their children?

Also, do you know the parents' names of Phoebe Brady Merwin?

Understand you folks have had a hard winter so far. We have had an usually severe winter, too, but probably nothing compared to your area.

My best regards,

Merwyn

Sept. 3, 1980

Dear Mary-

Merwyn Buchanan, our genealogist who is assembling and editing the material for the Supplement to the Merwin genealogy, has asked whether I know any of the children of Jesse Merwin (no. 4600). Since they seem to be in the Newton Falls - Warren area, it has occurred to me that you might be able to find one who could fill in the Merwin Family Record forms attached.

Any help you can give us on this will be greatly appreciated. I hope your researches here in Washington this spring were successful.

With kindest personal regards to you and your husband,

Cordially,

Dear Cousin:

As I promised on the telephone this morning, here are Merwin Family Record sheets on the four of your children who were unmarried at the time we published Volume II of The Merwin Family in North america.

In addition to filling out the face of these sheets, I would like a brief biography of each of your children and their spouses along these suggested lines:

your child spouse

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Many thanks for the family record sheets on your family. They were well done. Enclosed is your family entry for your review and approval. You may want to revise the biography section. Does your husband still run an apparel shop?

Mail addressed to your son, Andrew N. Merwin, at 1488 N. Dogwood, Fresno, CA 93711 has been returned by the post office marked, "forwarding order expired".

On 1 December 1988, I wrote you asking for his new address, but to date I have received no reply. Won't you please respond to my request? Dear Merwyn:

My father, Charles Aloysius, is a member of the Association. He is now 92 and I have become the keeper of volume I and II. It is from these books that I determined the above lines.

I am enclosing $20.00 to pay for a membership for my son and I.

Dear Cousin John:

Welcome to the Miles Merwin Association!

Enclosed is the latest issue of Milestones, the members name and address list and the Association booklet. Hope you enjoy your membership in the Association.

Thank you for the Merwin family record sheets for your family and your son. You did not give me the date of your marriage to Carol or the date of her birth and place of birth. Also the date and place of Christine's birth were omitted. I have no way of knowing whether you inadvertently omitted these items or you do not wish to furnish them. At any rate, I must ask for them since my job is compiling genealogical data against the day when we will update the family genealogy.

In the future, please keep in mind that I would welcome news of any happening in your family to update our genealogical records against the day when we may publish a third volume of our genealogy and any news is welcome for inclusion in Milestones. Information on weddings, births and marriages plus graduations, etc. are all useable.

I hope your father is keeping well. My mother is also ninety-two and in fine physical conditions except for loss of eyesight.

Best regards,

Merwyn R. Buchanan

Stockade House off the Milford Green. Some of Winthrop Smith's relatives still live on the original church land granted to their Puritan ancestor, Martha Beard, because her husband died on the voyage from England.

The Memorial Bridge, which was built in 1839, the bicentennial of the Puritan settlement, spans the Wepawaug River east of the Milford Green and is dedicated to the Puritan settlers. It was built with granite blocks donated by descendants of 54 original settlers.
(Excerpt from The New York Times, September 8, 1985 - furnished by Gaius Merwin).

LINEAGE LOCATOR

Some folks have written us asking when the Lineage Locator will be available. Unfortunately, Merwyn Buchanan is still in the process of preparing the manuscript. He is doing it on his computer and the use of that equipment makes the work much easier than using a typewriter. However, this monograph is a tough one to prepare since it is two columns of names and numbers. Besides being tedious to compile, each page must be carefully checked for accuracy. Even taking due care, which takes time, there will be, inevitably, some errors. Accordingly, we are making haste slowly to insure as few errors as humanly possible. Merwyn is hopeful that the book will be ready by the time of the annual reunion.

If you have not yet ordered your copy, we suggest you get your order in to Gaius Merwin, 96 N. Mountain Avenue, Montclair NJ 07042. Make your check payable to Miles Merwin Assn. for $12 After publication date, the price will go up to $15.

Enclosed is the rough draft of your son John's entry for the Supplement taken from the information you gave me.

There are just two missing items. Will you please give me his present address and the day of his marriage.

I notice on your entry on page 767 of MFNA that there is missing data. If you will give it to me, I'll include it in the Supplement. Here is what I need:

1) full date of your marriage
2) your wife's father & mother's names (include maiden name of mother.
3) full date of your wife's birth.

We are writing a Supplement to The Merwin Family in North America. Last night, I talked to your mother on the phone and she gave me your address so I could write you for information about your family for the Supplement.

I would also like a biography of you and Clinton. Schools, dates of graduation, degrees, occupations, employers; civic, church or military service, etc.

Dear Cousin:

We are now writing Volume III of The Merwin Family in North America.

Are either of your sons married? I would appreciate their current addresses so I might contact them for information about them for Vol. III.

If you would like to have your biography updated in Vol. III, let me have whatever data you would like to include. Your present location must be quite different from Florida.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

As you may know, we are writing Volume III of The Merwin Family in North America which updates the family entries in Vol. II.

We have been unable to contact your brother, William, at the address in our records. Would you please give me his current address and phone number? Are either of his children married? If so, I would like their addresses so I might contact them.

Are Gregory or Susan now married? If so, please give them the enclosed form and ask them to fill them out and return them to me. Remember, in order to be in the book, one must become a member of our Association. Dues forms are enclosed for that purpose.

Dear Cousin -

Sorry this has been delayed. (I was away on vacation.) I really had to scratch my head for some of the dates, and some (like the date of my first marriage), I couldn't remember at all; nor do I have any personal records showing them. I'm also sorry not to have the maiden names of two of my mothers-in-law, but those I have never known.

If there is any other info you need, or any clarification of info you now have, I'll be glad to do my best - and reply as quickly as possible.

I'm a Jr. at Univ. of Nevada-Reno, heading for a whole new career! We Mervins are sturdy stock!

Best regards,

Jane Mervin Pilotte.

Dear Cousin:

Enclosed are two family record sheets for your parents and your family. Will you please complete the encircled and questioned items? We want this data for a supplement to the *Merwin Family in North America*.

Also enclosed are a couple of blank forms. If any of your children are married, please fill out a record for each of them. Or ask them to do it. May I have your sister's address? I'd like to ask her to give me data.

In our published genealogy, there is no biography of your father. Will you please give me one? You know - occupation, schools attended, awards, interests. We want one on you too.

Have you considered joining our association? We'll send you a copy of *Milestones* (a bulletin) which is published several times a year. Keep you informed about Merwins. We would be delighted to have you and the annual dues are only $2.00 (check payable to Miles Merwin Assn).

Sincerely,

Merwyn

Dear Cousin:

Thank you for sending us your new address.

It is usual that a person joining our Association supply vital statistics and biographical information about himself and immediate family for our genealogical records. In some cases this proves his descent from Miles^1 Merwin. In your case, proof is not necessary since you are identified with your parents in our published genealogy. However, I do need the information contained on both sides of the enclosed Merwin Family Record sheet. I sent you one on 14 November 1991, and , I guess, it was mislaid.

Please let me hear from you.

Best regards,

Dear Cousin:

Welcome to the Miles Merwin Association! We hope you will enjoy your membership. Enclosed are the Association booklet, the October 1988 Members Address List, the latest Milestones and an order form for the Association's publications.

Also enclosed is a Merwin Family record form. Will you please complete this for our genealogical records? Particularly, we would like a biography as suggested on the reverse.

I notice that , in Volume I of The Merwin Family in North America, that we need a bit of information about you grandfather Schofield. Would you please give me his full name.

We have not heard from your sister, Mary, since we published volume II in 1981. Is her address still 4015 Seminole Ave., Tampa FL 33063? I would like to contact her to update her family record.

Re: William R. Merwin, #4620

Dear Sir:

Thank you for your quick response to my letter about my father and sister. My father was cremated and his ashes were scattered over the sea, as he had requested. The two entries you sent to me are correct. Insofar as I know, my mother intends to live with my sister in Louisiana indefinitely.

As for myself, I will try to answer your questions. I attended Robert E. Lee High School here in Jacksonville, and I graduated in 1960. I attended the University of Florida for both my undergraduate degree (Business Administration) (1964) and my law degree (1967).

Following my graduation from the University, I worked for about two years for the Florida National Bank, as a trust assistant in the Trust Department. Then I went into the U.S. Navy (1969) and attended Officer Candidate School in Newport, Rhode Island and Navy Supply School in Athens, Georgia. I spent two years at sea on U.S.S. Harwood, a destroyer, as its Supply Officer. I left active duty in 1972. I currently hold the rank of Lieutenant (USNR).

From 1973 to 1984, I was an Assistant Counsel for the City of Jacksonville, for five of those years (1973-1978) serving as legal counsel to the City Council. Since I left the City in November, 1984, I have been in private practice, working for myself.

I currently attend Lakewood United Methodist Church here in Jacksonville, where I sing in the choir.

I hope this information has been of use.

Sincerely yours,

Bill Merwin

Re: George R. Merwin, #3572
Mary Ann Spears, #4621

Dear Sir:

I am writing to you so that you can update the Merwin family records with respect to my father, George R. Merwin (#3572), and my sister, Mary Ann Spears (#4621). It has been some time since these records have been updated and there have been significant changes.

My father passed away on January 31, 1991. My mother, Phyllis S. Merwin, still lives at 5773 Wilson Blvd., Jacksonville, Florida 32210, but she is temporarily and indefinitely staying with my sister at her home in Kenner, Louisiana (New Orleans).

My sister has been divorced from Mr. Spears since the last information was sent to you and she has remarried. Her husband is Newman Crane, and she uses the married name Mary Ann Crane. She is presently working as a real estate agent. Her home address is 844 Sunset Boulevard, #10, Kenner, Louisiana 70065.

Incidentally, my home address is 2363 Ernest Street, #2, Jacksonville, Florida 32204. As you can see from this stationery, I am an attorney here in Jacksonville.

Thank you for your kind attention to this matter. I would appreciate it if you would update your records.

Sincerely yours,

William R. Merwin

Dear Cousin:

Enclosed is a family record for your family prepared with data in The Merwin Family in North America and data your mother gave me. Would you please complete this record and return it to me for inclusion in the supplement we are writing to MFNA. Notice we need the full date & place (city & state) where you were married, Your husband's middle name; his father's and mother's full name (include maiden name); and his date & place of birth. There always seems to be feelings involved in divorce so that a person doesn't give details about their ex-spouse. From a genealogical standpoint it is important to have all details; because, some day your great, grandchild may be trying to trace her line and, if one of her ancestors is ~~to~~ not fully identified, she will be stopped cold.

I would also like to have a brief biography of you - (schools, degrees, occupations, etc.).

Best regards,

Merwyn

Dear Gaius;

I want to thank you for the prompt reply regarding a reference for Collin G Matton who is moving into the apartment in our house to day.

I enclose a copy of a letter regarding Merwins in the Socty of Colonial Wars. My grand father and great Uncle are the first two mentioned. Their line is five Miles and a Samuel hence back to Robert Treat. I found all of the people in our family history. I joined through my Olmstead line.

I trust we will have the pleasure of meeting you again at the next reunion.

Dear Tim:

In looking up the record of Augustus White Merwin I discovered there have been five others of the surname besides yourself in the membership. They were:

39. Miles¹ Merwin m. Ann Treat

Augustus White Merwin, General Society no. 52, a member of the New York Society and, obviously, a very early one. He was admiited by right of descent from Governor Robert Treat.

2328 Alexander Moss Merwin, a member of the California Society by right of descent from Governor Treat.

1643 Orange Fowler M → Orange Merwin, a member of the Connecticut Society by right of descent from Lieutenant William Fowler.

3842 → Walter Lee Merwin, a member of the Pennsylvania Society, descended from Nathaniel Foote, Nathaniel Foote, 2nd, Lieutenant Miles Merwin and Lieutenant Jonathan Russell.

3061 Horace Beach Merwin, a member of the Connecticut Society by right of descent from Lieutenant William Fowler.

3952 Robert Eugene Merwin, a member of the New York Society by right of descent from Lieutenant Miles Merwin.

Can you identify all these kinsmen?

It was a great pleasure to sit with you and Gertrude at the luncheon last Saturday. I trust you did not have to swim on the way home!

Best regards to you both.

Dear Marilyn,

I'm sorry to have taken so long to reply to your inquiry about Jane (#5803) in the Merwin Geneal.) Her date of death was Feb. 7, 1987. Her father, Tim Jr. (#4622) predeceased her on Oct. 20, 1986. Both are buried at Hillside Cemetery, Wilton.

When we talked recently I gave you the address of my brother-in-law for further data on his sons and their families. Since his wife is currently in remission of what was thought to be terminal cancer and he is a notoriously poor correspondent I'm giving below the addresses of his sons with whom you can correspond directly:

Accordingly, if it's too late to be of use it will be understandable, but thought I'd send it along just in case ——.

Dear Tim:

In your letter of August 12th to Gaius Merwin, you made reference to a "Collin G. Matton who was moving into your apartment".

I don't know what you and Gaius were discussing, but I have been searching for a descendant of one Alice Northrup[10] Merwin (No. 4025 in MFNA) who married Albert Ward Mattoon. Could it be that your tenant could be her descendant? Will you please ask him to write me if he is related?

I'll appreciate it.

Dear Mr. Buchanan,

I am responding to your letter of August 18th to Timothy Merwin concerning your search for a descendant of Alice Northrup Merwin.

Unfortunately, I can be of no help. I've checked with my family and it may be that my last name was once spelled Matthon, but not Mattoon.

Good luck in your search.

average of two exchanges of letters is required for each entry completed to insure accuracy of the finished product. After six years, many persons have moved and their forwarding instructions to the post office have expired or no forwarding addresses were filed. This necessitates corresponding with the person's parents or siblings who often have themselves relocated without a trace. Where people cannot be located after reasonable efforts, their entries will be repeated as shown in Volume II (without up-date) in the eleventh, twelfth and thirteenth generation chapters. As time permits and the opportunity arises, Merwyn is also attempting to complete entries in the first ten generations to fill in information which we failed to discover in the compilation of Volumes I and II. The Association is aiming to publish Volume III in late 1990 or early 1991.

FOUNDING FAMILIES DAY

About 400 descendeants of Milford pioneers from arojund the country congregated in Milford on Saturday July 8, 1989 to celebrate the 350th anniversary of the founding of the town and the 150th anniversary of the construction of the Memorial Bridge over the Wepawaug River (see above). Most of those presentwrer descended from more than one of Milford's original settlers; (including our genealogist, Merwyn Buchanan) would claim membership in ten or more founding families. They celebrated Founding families Day with reunions, sharing of genealogical records, and luncheon. The high point was the dedication of a stone plaque bearing the names of the 15 planters and 55 after-planters whose names were not on the stones of the Memorial bridge. This stone monolith is on the green just east of the Bridge. The day was capped by a picture-taking session of the various families in front of the Bridge. The largest turnouts were the Merwin, Platt and Botsford families, all of whom took the occasion to have their annual meetings.

CONCLUSION

The Miles Merwin (1623-1697) Association, Inc., now in its 33rd year, has been an actively functioning family organization since its founding in 1957. In addition to replacing the tombstone of our immigrant ancestor in the Milford Cemetery, it has had an unbroken series of annual reunions, has maintained continuing contact with Merwins through a newsletter, Milestones, and has prepared and published a genealogy of the descendants of Miles [1] Merwin in the male lines (with supplements for descendants through the female lines of those displaying an interest in their Merwin heritage). The genealogical work is continuing, not only for present generations but also for the origins of Miles [1] and his first wife Elizabeth.

Dear Cousin:

We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is a Merwin Family record sheet. Will you please fill this out and return it to me? Also, fill out a brief biography of yourself and spouse as suggested below.

Since you were born a Merwin, you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Use the enclosed dues form to join.

Best regards,

Merwyn R. Buchanan

World naming their new town Windsor might have come from a town of the same name in England, he searched the baptismal records of Berkshire, where a town named Windsor is located. He found an entry in the parish records of New Windsor reading as follows: "1 Feb 1623 Myles, sonne of Gualter Murwin, born in Cluar Parish". (A photocopy of the page containing this entry is reproduced herewith). Although we can not prove it, this is undoubtedly the baptismal record of our immigrant ancestor, for it agrees in both name (spelling differences aside) and date with the inscription on the tombstone in the Milford Cemetery. The fact that the baptism was recorded in New Windsor Parish although Miles was born in Cluar Parish is also consistent with the fact that the baptismal records of the parish church of St. Andrews in Clewer (to use the modern spelling) go back only to 1651; before that date, baptisms in that parish were apparently entered in the New Windsor records. Further search of the Berkshire records revealed that Miles' father, Walter (to use a modern spelling) was married in 1617 to a Margaret Tinker, and that Miles was their third child and the first to survive infancy. Walter appears to have had four more children by Margaret, at least two of whom had issue; he died in 1649, when Miles would have been twenty-six.

The font at which Miles was presumably baptized is still in use in St. Andrews (see photograph). The church is of Norman origin (some say Saxon) and substantial parts of the original structure remain. It is located in Clewer Court in Windsor.

Several mysteries remain. When, and on what ship (or ship), did Miles and Elizabeth come to the New World? When and where were they married, and what were the maiden name and date and place of birth of Elizabeth? If she were indeed a blood relative of Abigail, she could have been born a Searle, probably in Devon; but this is a common name and thus far we have been unable to identify a likely candidate. Moreover, Devon is some distance west of Berkshire, which makes one wonder how they got together. The search is still on, and hopefully answers to these questions may yet be found.

PLANS FOR THE FUTURE

In 1986, the Directors of the Association decided that in due course a third volume of the genealogy should be prepared to update the record through succeeding generations and to fill in gaps and correct errors in the record for the earlier generations. A campaign to raise the necessary funds was launched in 1988.

Merwyn started work in the preparation of the volume by reviewing all of the births, marriages and deaths shown in all Milestones issued after the publication of Volume II in 1983. The changes were incorporated in a computer file as either corrections and additions of the tenth or prior generations or the start of the eleventh, twelfth and thirteenth generation files. He then typed all entries of the 233 pages in the eleventh generation which were persons who were married with children when Volume II was issued. The same procedure was followed for the family entries on the fifty-five pages in the twelfth generation; and the two pages for the thirteenth generation. A copy of the family entry for each person listed in these chapters of Volume II was sent to them for up-dating. Then an effort was made to contact persons listed as single or married without children in the eleventh and later generations to determine whether they are now married and have children. Those found to have families will then be sent drafts of their family entries with the request for an up-date. The final step will be to contact all members of the Association not covered by the foregoing effort to give them an opportunity for an up-date on their entries in Volume II. These people would be mainly those who are descended from female Merwins and could be descended from a female Merwin in the first generation. As entry up-dates are received, Merwyn is incorporating them into files which will eventually be printed out into a manuscript for chapters as follows: Additions and Corrections to the first ten generations, Eleventh Generation, Twelfth Generation, and Thirteenth Generation. This procedure involves a massive volume of correspondence. An

Last year I sent you the enclosed copy of your family entry from The Merwin Family in North America. Since I have had no reply, I assume you are satisfied to have it rewritten, as is, in the Supplement we are now writing. If so, fine. That is what we'll do.

I then need just one thing from you — the addresses of each of your children and their phone numbers.

Dear Merwyn,

I thought that I should let you know that on May 20th we had to put my father, Clarence T. Merwin, in to a Nursing Home. He turned 80 on May 8th and requires 24 hour care.

He is in the Bayou Glen Nursing Home, 8820 Town Park Drive, Houston, Tx. 77036 in Room 206. While he is no longer able to write or otherwise reply, he enjoys receiving cards.

I have tried to notify all of his old friends and relatives but perhaps a mention in MILESTONES would take care of any I have missed.

I hope by next year I will be able to make one of the reunions.

Best Wishes,

Don

the jump on them.

The wild, cold north-country feeling of the November mountains is part of the charm of elk hunting. The snow covers autumn's dead leaves and muddy ground, and turns the woods black and white. Everything takes on a stark, crisp look but the fluffed troughs elk leave on their silent wanderings. The hunter's mind focuses down to a rifle vision that is the expression of all determined ventures as he takes up a trail.

When the season finally closes he may have found nothing, or remember rump patches fading into a fog of snowflakes. But if he locates the layover spots along the elk's migration route, skirts the bedding areas early, then tracks carefully, and if he is persistent and lucky, there will be more in the oven Thanksgiving morning than a turkey.

NEW POACHERS

(Continued from page 59)

deer in the southwest part of that state. Other states have put out of business small groups of game thieves who were taking 30 to 300 deer per year, but officials admit that these poachers are just a fraction of the many who are stealing game.

Another twist on the trophy-bucks-for-profit theme is the "big buck" contests that proliferate in some states. Perhaps an automobile dealer will offer a recreational vehicle as a prize for the best buck taken in a certain area. Perhaps a tavern will sponsor a pool into which 100 hunters throw $10 each, with the jackpot going to the hunter bagging the biggest buck.

"Any time you put a price on an animal, you bring out the worst in people," says Bruce Johnson. "We lose a lot of deer in Utah—especially in the winter—to people who cut the head off and let the carcass rot. They'll take the heads home, freeze them, and enter some contest the next fall. This is profit poaching, too."

Fish are probably the next most common target of the profit poachers. From shellfish on the East Coast to pike in the Great Lakes to bass in the Deep South, fish are being stolen from the public and sold for profit.

In Michigan, whitefish, walleyes, salmon, and perch all are on the poacher's menu. Ohio recently brought suit against forty-five fishermen and wholesalers for illegally taking 490,000 pounds of walleyes from Lake Erie. The state is asking for $69 million in damages.

And in Texas some crooks are making big bucks raiding the public waters. Recently, two poachers were arrested with one night's catch of catfish—6,000 head. The cats weighed about a pound each and would have sold for about a dollar apiece to restaurants and fish houses. Not a bad night's work!

Texas fish and game authorities issued 1,878 citations for commercial fish poaching and confiscated nearly 1 million feet of illegal nets in 1981. The total conceivable take by poachers becomes frightening when one considers that two men with a relatively few feet of net can take 6,000 fish in one night.

And the crooks will do whatever they can to protect their enterprise. One fish thief offered $50,000 to a Texas warden to "look the other way" for just one year on one lake while the poacher and his partner carted off catfish.

Reptiles—alligators for their meat and hides, and rare snakes for collectors—have become another target of the profit poachers. In 1981, the U.S. Fish and Wildlife Service conducted a "sting" operation primarily against poachers trafficking in snakes. The investigation stretched across thirty-five states, involved more than 100 agents, and was directed at about 150 poachers. Ridgednosed rattlers, yellow rat snakes, rosy boas, gray-banded king snakes, and rock rattlesnakes were a few of the victims. Some of these snakes sell for hundreds of dollars (one python sold for $1,500) in Europe, Japan, and the Middle East.

Perhaps the fastest-growing poaching market is in elk antlers and other animal parts destined for the aphrodisiac shelves of oriental shops. Montana game warden Henry Fabich reports that elk antlers in velvet may bring as much as $100 per pound ($40 to $60 per pound average). This makes a large bull worth $600 to $1,500 to a poacher.

Even after the elk has shed its antlers, the horns are worth about $6 per pound, or $90 per bull. And the greedy antler hunters don't wait for the bulls to drop their horns on their own. Fabich says that horn gatherers around Yellowstone Park relentlessly pursue bull elk, sometimes through deep snow, in the hope that the animal's horns will come off. Spring—when elk shed their horns—is the worst possible time to subject the animals to the stress of a chase, as the elk may already be close to death from the rigors of the previous winter. "Horn hunters kill a lot of elk by running them around in the spring," says Fabich.

And Yellowstone Park officials have found live elk with their antlers sawed off. Apparently, the animals were driven into deep snow or run to exhaustion and then relieved of their headgear. Other poachers in the Yellowstone area simply shoot elk bulls, take the antlers, and leave the meat to rot.

No one knows for sure how many of the 20,000 Yellowstone-area elk fall victim to poachers each year, but the problem is significant. Poaching for antlers, says Fabich, "has just about totally replaced market hunting for meat" in and around the park.

Other parts of other animals are in demand, too. Black and grizzly bears are popular victims. Bear gall bladders, also used in the mystical process of making aphrodisiacs, may bring a poacher $25 to $100 each. The price tag on a set of bear feet (another aphrodisiac ingredient) may be $500 for a grizzly and $100 for a black bear. Plus, a poacher may pick up $700 or more for a grizzly hide and perhaps $100 for a black bear hide.

These figures are estimates compiled by Henry Fabich. The Montana game warden also theorizes that poachers may earn $200 to $1,200 for a bighorn sheep cape and horns, $200 to $340 for a cougar hide, $210 to $400 for an elk's cape and antlers, up to $300 for a moose cape and horns, and up to $500 for a mountain goat hide. And these prices, he says, may be low estimates, since these figures are what buyers recently paid for confiscated parts sold by the Montana Department of Fish, Wildlife and Parks. The animal parts sold by the state may not be used for commercial purposes or resold, and this restriction may decrease their market value. Actual market prices for poached animal parts probably are much higher.

And trophy poaching is not peculiar to the Yellowstone area. Idaho game officials believe that state's bighorn sheep population is suffering under the poachers' guns. Utah authorities suspect that desert bighorn poachers may be using helicopters to carry off their illegal trophies. And the list goes on.

Fur bearers also are victims. Raccoon, beaver, and muskrat pad poachers' pockets in Nebraska. Illegally taken badger and mink are a problem in Michigan. Fox hides make money for Florida game crooks. Fox and raccoon are the top money makers for Illinois game thieves. And not long ago, Utah authorities stopped a car that was headed out of state. In the trunk were the hides of eighty illegally taken bobcats. Each skin was worth about $300. "And that was just one set of buyers on one trip,' laments Bruce Johnson.

But law-enforcement officials aren' sitting on their hands while the wood and fields are plundered for profi They're fighting back. And the ch weapon in their arsenal is the underco operation. Because the poaching "rin are loosely structured and informal, possible for state and federal agents infiltrate the poachers' ranks, often devastating results.

In the fall of 1981, South Da authorities snapped shut a trap th been closing on Black Hills poach several months. Poachers—prima deer, but also of elk and other anim had long flaunted their presence in southern Black Hills. Some miscrea near the small town of Pringle carri business cards identifying themselves members of the "Pringle Poacher Association."

"They were a pretty arrogant group," says Jack Merwin, secretary of South Dakota's Department of Game, Fish and Parks. "What they were doing was a slap in the face to law enforcement."

So, state and federal officials decided to slap back. Jim Kline (not his real name), a deputy U.S. game warden with the U.S. Fish and Wildlife Service, took up residency just outside of the town of Custer. He set up shop as a buyer of antiques, deer hides, and antlers. Over drinks in the Gold Pan Saloon and Frontier Bar he made contact with local poachers and slowly became one of the group. Eventually he was asked to go along on a jacklighting foray.

For eight months Kline accompanied the poachers. He bought from then more than twenty deer, paying $75 t

ing pressure is light. In areas where they are heavily hunted and shots ring out each time they bolt, scared elk won't run as far. But you nevertheless should treat your initial approach as if it is the only chance.

The last 200 yards are the tricky ones. An elk's sense of smell is phenomenal, and in my experience they bolt at human scent long before deer will. Usually the problem is compounded because elk are seldom alone and there is more than one nose working. Downwind approaches often are not possible because air tends not to circulate much in the dense thickets favored as bedding grounds. I have tried doe scents and other animal scents with indifferent success; you have to face the fact that a high percentage of elk are going to smell you sooner or later, generally sooner.

The impasse develops when you reach the point in your stalk where you also can smell the elk. Their scent is unmistakable and it will stop you in your tracks. If you have never smelled elk before, pause along the trail to touch fresh droppings. Then smell your gloves.

That heavy, almost sweet scent is similar to the body odor you will detect when you get within a hundred yards or so. At this point, if the elk still haven't spooked—you should be in a permanent crouch at this stage—you can be quite certain that they smell a human and are deciding which way to go. I think this is where many hunters blow it by letting the elk make the first move.

Too many times I have remained motionless, only to hear the elk breaking through brush on their getaway a minute later. You can better use that minute to get as close as you can quickly. A snap shot is all you are going to get, anyway. I can count on one hand the bulls I've tracked to their beds which stuck around for a standing shot.

The only card a hunter holds in that last hundred yards is the joker, the wild card. In other words, all he has going for him is the element of surprise. Elk are at their worst when startled. Break a twig and they are gone. Let them pinpoint your scent and they depart. A glimpse of your hat and off they go. But bust into a bunch of them at a dead run and they don't know which way to turn. They want to play follow the leader and by the time they decide which way to go, you might get off a shot.

This trick enabled me to shoot a nice elk two years ago in Idaho's Centennial Range. I had tracked three elk into a steep-walled canyon, then circled above and caught sight of them below me. The elk were about 125 yards away, a very long shot for the muzzleloader I was carrying that hunt. To approach closer undetected would not have been possible, so crossing my fingers and hoping fervently that the elk would not be able to pinpoint a gun shot in the restricted space of the canyon, I pulled the trigger with the barrel pointed at a tree. The shot reverberated off the cliffs and the elk jumped, but did not run off. Reloading quickly, I managed to arrive at the scene, after sliding on my backside down the hill, while they were still milling around.

I had an easy running shot at about 20 yards. Under the circumstances, I'm convinced the unorthodox tactic was my only hope for a shot.

Physical conditioning is important if you intend to do much tracking. In 90 percent of the cases, you aren't going to get that shot at elk in the bedding sites. Either they will move way out ahead of you or you will jump them. Unless you know from experience that elk in the area don't run far, the only way to catch them is to take up the tracks at a trot. And they are really going to take you on a roller-coaster ride over the mountains.

Spooked elk go straight up and down hills. But if you stay with them they eventually will slow down. I've jumped the same band of elk as many as four times in a day, catching up with them every 2 or 3 miles. I missed a shot at a good bull one year at the mouth of the Gallatin River canyon in Montana after pushing him hard all day long.

Here, as with the initial stalk of bedded animals, it is the hunter who anticipates and takes chances who succeeds most often. Spooked elk expect to be followed. If you stick to the trail, chances are you'll be outmaneuvered. But by anticipating the elk's course and taking shortcuts, and by circling above as often as possible, you just might get

Dear Cousin:

We are writing a Supplement to The Merwin Family in North America (published in 1978). Our purpose is to continue that genealogy from the tenth through the fourteenth generations (from Miles Merwin 1623-1697).

Since you are one of our family, we would appreciate your completing the enclosed family record. Missing items are encircled or indicated by a question mark. There is no charge or obligation on your part. All Merwins should be in the book.

Your cooperation will be much appreciated.

Best regards,

Merwyn

Thank you for your reply to my letter of 1 March.

We are pleased to hear your son, Paul, has married and has a child. Enclosed is dues form. If he would like his family included in Volume III of The Merwin Family in North America, he must join our association. I assume your other children are unmarried, but, if that is not true, their entries will be included if they join.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

On Jan. 20, 1981, I wrote you offering you an opportunity to join our association and have your family entry in the supplement to The Merwin Family in North America.

To date, I have had no reply. I can only conclude you are not interested. So, unless I hear from you by the end of September, I'll close your file.

Sincerely,

Merwyn

Dear Carla:

Enclosed is the rough draft of your family entry for the supplement we are writing to *The Merwin Family in North America*.

You'll note I need these things:

1) The date of your husband's birth
2) Where " " was born (city & state)
3) Full name of James' parents including mother's maiden name.

I'd also like a brief biography of you both—schools, degrees, occupations, employers; church, civic & military service.

In order to have your family in the supplement, you must join our association. Send me a check payable to Miles Merwin Assn. for $2.00 annual dues. Enclosed is a copy of *Milestones*, the newsletter we send to members.

Best regards,

Merwyn

Dear Cousin:

I mailed a family record sheet to you at your address at South Glastonbury and it was, of course, returned by the post office. Then I sent it to your brother Leland and asked him to pass it on to you.

Since I have heard nothing from him or you, I couldn't stand the suspense; so, I called Leland and talked to his wife Bonnie. She assured me that your record sheets had been passed on to you. Accordingly, I'm looking forward to hearing from you.

Incidentally, I know your brother Don. Know him as "Florence Merwin's nephew".

Best regards,

Merwyn

Enclosed are a copy of your entry in MFNA and record sheets for each of your children (including 2 blanks for the youngest boys). Please have them completed and returned to me.

I'd also like a brief biography of each of your children who are 21 or older. You may want to update your bio. too. I am rewriting the 10th generation. And complete the enclosed record sheet for yourself. I guess I have given you enough work with all this.

Enclosed, too, are four order forms for MFNA as you requested.

Nice talking to you on the phone.

We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is a Merwin Family record sheet. Will you please fill this out and return it to me? Also, fill out a brief biography of yourself and spouse as suggested below.

Since you were born a Merwin, you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Use the enclosed dues form to join.

historic house, and are generous in allowing present-day Merwins to visit the place. Some of the beams in the basement are believed to be from the original structure. (See accompanying photograph).

Another site of particular interest to Merwins is the Memorial Bridge over the Wepawaug River near the town green in Milford. Built in 1889 by the city to commemorate Milford's 250th anniversery, names of many of the early settlers appear on memorial stones on the bridge. One of these stones is inscribed:

MILES MERWIN
OBIT 1697
SARA HIS WIFE

House

It should be noted that the wife referred to, Sara, was Miles' third; she died in 1698.

There are fifty-four memorial stones in the bridge, of which twenty-nine are in memory of original settlers, called "free planters" (who were church members); seven bear the names of original settlers who were not church members and therefore are referred to merely as "planters"; and fourteen memorialized the so-called "after planters", of which our immigrant ancestor, Miles, was one. The remaining four stones are for other early settlers who do not fall into any of the foregoing categories. The Committee arranging Milford's 350th anniversary celebration has installed near the bridge a marker with the names of other early settlers.

In celebration of the Bicentennial of the United States in 1976, representatives of several of the founding families of Milford were photographed on the Memorial Bridge; the Merwin family with forty-seven representatives far outnumbered any of the other contingents. In the accompanying photograph, the man standing with his left hand on the Merwin stone is Founding President Miles.

PREPARATION OF THE FAMILY GENEALOGY

As indicated above, the core activity of the Association has been and still is work on the genealogy of the Merwin family in North America (many of the descendants of Miles [1] emigrated to Canada). This got underway shortly after the founding of the Association when Miles W. [9] Merwin, Margaret [9] Merwin Patch and her sister, Rachel [9] Merwin, pooled their genealogical resources which they had been accumulating over the years. Material had also been assembled by various other genealogists, including Donald Lines Jacobus, the eminent Connecticut genealogist who was himself a Merwin descendant. This latter, incidentally, is credited with having straightened out certain confusions which had arisen regarding the record for the first five generations of the Merwin family.

In 1964, the Association decided to work toward the issuance of a comprehensive genealogy of the descendants of Miles [1] in the male lines. As a first step the → cooperation of the Connecticut Historical Society was sought because of its interest in early Connecticut history. They welcomed the project and gave their whole-hearted support to it, including assistance in raising the necessary financing. They required, however, that the work be managed by a professional genealogist, so the Association retained the services of J. Crawford Hartman, retiring Editor of the Record of the New York Genealogical and Biographical Society. He standardized the format of the genealogy along the lines followed by the Society and arranged the information assembled by the various contributors in an acceptable style. In 1967 the late Merle C. [9] Merwin (MFNA 3656) and his wife, Margaret, took over responsibility for preparation of the first draft under the guidance of Mr. Hartman. They also did extensive research, filling many of the gaps in the record, until 1976 when Merle was seriously injured in an automobile accident. Shortly thereafter the Directors of the Association decided to publish the assembled record through the first ten generations, and asked Merwyn R. [11] Buchanan, present genealogist of the Association, to undertake the task.

For the past several weeks, we have been sending Merwin Family Record forms to all tenth generation Merwins shown in the index of the Merwin Family in North America. These forms are sent in an effort to rewrite the tenth generation chapter and add the eleventh, twelfth and thirteenth generations in a supplement to MFNA.

We have found certain persons on our mailing list who are members of our association but we can not find their names in MFNA. You are one of those people. Will you please fill out the blank record form enclosed and return it to me. Show your line back to a MERWIN in MFNA or back to MILES' MERWIN.

We are determined to list all members of the association in the supplement. Please help by making your reply as complete as possible.

Sincerely yours,

Merwyn

Dear Cousin Nancy:

On 25 January, I wrote to Gaius Merwin, our treasurer, and told him to be on the lookout for dues from your children and told him you had asked me how one joins our Association. He has just replied that he had received a $100 contribution from you. (For which we thank you). He also said that your children had not paid their dues.

Now I need your help. I can not find your letter in my files. As you can probably imagine, I have heaps and heaps of files.

I am enclosing three Merwin Family Record sheets, one for each of your children. Will you please send them to them and ask them to complete and return them to me? I shall then set up entries for them in Vol. III of MFNA. If you wish, you may ask us to set aside $10 from your contribution for each of your children, or, if they prefer, have them send us $10 each for dues. Either way, your children will be in the book.

Your cooperation is much appreciated.

Dear Gus:

New members:
Ms. Ina Louise Merwin, RD2, Box 64, Merwin Road, Millerton NY 12546
M/M Ralph W. Merwin, Sr., 9009 60-75 Road, Montrose CO 81401

Enclosed is a check for $20 from Ralph A. Merwin of Wausau, WI. He did not bother to tell me what this is for. He is a current member according to my records. I leave it to you to apply the payment.

Paid 1/24/89

① * You should be getting dues from James Graham Merwin of Laguna Beach, CA. Also Nancy Benedetti's children. She asked me how you join.

Did Charles tell you he authorized an additional Milestones this Spring? I have a backup of data to go in a newsletter, and the annual reunion will be delayed this year. Thought I would put out a March issue and one in late May in addition to the one now in the printer's shop which I shall mail in the next two weeks.

② Let me know when you get the dues from James Merwin. He asked for a copy of the Merwin coat of arms and I intimated to him he had to do something for us before I searched for the coat of arms. He has never answered my letters in the past and, by this means, I finally got an update on his family entry. Takes a bit of arm twisting once and a while.

We have been having freak weather. Only one three inch snowstorm so far and little other recipitation. Guess we are in for another drought this summer. Hope all is well with you and yours.

Best regards,

Merwyn

* Nancy Benedetti sent us $100 contribution 1/3/89 but no dues have been paid. Her children as listed in Vol. II, page 409 have not paid either. Have the daughters married? Perhaps they have paid under married name!

Milestones

A bit of news - daughter Karen has recently signed a contract with the Broadway musical "42nd St." as a dancer in the national road company. The show will open in Chicago around Christmas and then move on to Los Angeles in 6 months or so if all goes well. We are so happy for her.

Also, in case you hadn't heard, my sister, Marie,* was divorced this summer. She is now Mrs. Andrew Brady and resides at 3333 N.E. 34th, Apt. 116, Ft. Lauderdale, Fl. 33308. (We are happy for her, too!) Lots of changes in our little world.

Regards,
Una

Dear Merwyn:

What fantastic handwriting you have. As I write this now, I will try to dot all my "i's" and write neatly. No wonder you are the genealogist. Now in regards to items missing - (1.) Husbands date of birth is March 20, 1952 -- He was born in Boston, Mass.

Short Biography

Gerald A. Berberian Jr - my husband, attended College in Boston @ Suffolk university. Upon graduation and receiving his B.S. he went into his fathers business. This is "Confectioners Inc". they are responsible for supplying popcorn, to the movies and also all candy supplies to carnivals, circus etc. He sells the machines, such as cotton candy, snow-cone and the Equipment needed for them. Surprising there is good money in popcorn - I'm brain washed by him - to be sure to pass his card so here it is - HA-HA. on the other side. He also, along with his brother, controls a theatre, Cinema I and II in Quincy, Mass. Needless to say he is usually

very busy with little time for outside interests. Three years ago he lost his father to cancer @ only 58 years old. So unfortunately - Jerry has had to take on a lot of responsibilities very quickly. He only has one brother age 26 and a mother that he feels responsible for since he is the oldest son.

Myself - I came to Boston and attended Fisher Junior College in 1969 - got an associate Degree as a medical assistant and in 1971 worked @ Children's Hospital in the anesthesia Department that lasted one summer - then I went on to Faulkner Hospital, Jamaica Plain, Mass. nursing school. and after 3 years of study there graduated top of my class (which I'm proud of.) and went to work @ the Brockton V.A. Hospital. I worked 3 years on a chronic geriatric ward and then was asked to be Head Nurse for a 42 bed geriatric ward. I did that for over a year and then went on part-time so I could spend more time with my husband - the job was a great experience, but very draining.

Marlene Berberian
77 Plantation Drive
Duxbury, Ma. 02332

I still work @ V.A. Hospital - have been
there since 1974. The pay is good so I
don't wander. This past year I went back
to school and got my Brokers License.
So now with the interests rate high I can sell
houses. (I haven't sold a one) Anyway I
have other interests now, primarily this
pregnancy and my new baby. Like Everyone,
I Enjoy reading, boating and swimming - long
vacation's in Expensive hotels and anything
Else not work related! Am I boring!
I hate it when people say they Enjoy
reading and Knitting it sounds so dull. I
like to Enjoy as much diversity as possible
whenever Jer and I can get away.

So that is the story of the Berberian's

By the way Mrs. Urania Sorensen is my
aunt. (my mother's sister) I understand
she is going to move, but I'm not sure
how definate that is - your letter head
paper caught my Eye!

Take Care
Marlene

Dear Marlene:

Thank you for your family record sheet. That form is not easy to follow. There is just one item missing - your husband's date and place (city + state) of birth.

Since you, like me, were not born with Merwin as a last name, you must join the association to be included with your husband and child in the supplement. The annual dues are only $2.00 (check payable to Miles Merwin Assn).

Speaking of children - I'm delighted to hear you are about to become a mother. Please let me know his or her name, date and place of birth. I'll save a place in your family entry.

I'd also like a short biography of you and your husband. You know - schools attended, occupations, interests.

Best regards,

Merwyn

Merwin Coat of Arms:
Old manuscripts reveal very obviously that medieval men could not spell. Very few of them could read, either. That is why there wasn't any point in painting your name on your armor once you were locked up inside. Distinctive emblems were painted on shields of knights, and most had crests on their helmets to make their identity known. Mantles worn over their armor were colored to match the shield. All of these accouterments were embodied in the Coats of Arms.To avoid duplications of insignia, a body of Heralds was appointed to visit all districts to enter details in their Registers, and to grant new Coats of Arms to those of the ruling class who wished to be "distinguished from all and singular."

Dear Mr. Buchanan,

I am enclosing some pictures for you to use if you wish.

One is of Sally Ann Merwin the daughter of Benedict Merwin. There is no date for the picture, but I would judge that the photograph was made sometime prior to 1879 when she died at age 63.

The picture of Elwood Wilmot Merwin is also undated, but I believe it must have been taken prior to 1900.

My father's picture is dated 1918. I had hoped to send one of his childhood pictures because the clothes and backgrounds were so interesting. However, the pictures are all very carefully affixed to album pages.

(I have some pictures of Irene Buckingham but they are in a very old bible which I keep in my Kerrville bank, and I could not get them.)

Incidentally, I have some odd bits of family information which indicate that Elwood Wilmot's mother was born in Stapleford, England. Also his wife's parents were Peter Ruth and Ann Jenkinson.

By the way, I do not know Donald Merwin, but I plan to call him.

Sincerely,
Sally

Dear Sally:

The publisher of THE MERWIN FAMILY IN NORTH AMERICA recently returned the original manuscript and the photographs which were used to print Volume II.

Returned herewith are the photographs which you submitted for use in the book. Although all possible care was taken, I am sorry to say a couple of them were somewhat damaged.

Not all pictures submitted were used in the book mainly because there was a space limitation. If one or more of yours were not used, please accept my apologies.

Your kindness and generosity in offering your family pictures is much appreciated and they contributed significantly to the attractiveness and character of the book.

Best regards,

Dear Mrs. Kilty:

Your ~~father~~ mother's father was Frank Augustus Merwin. His brother, Elwood Augustus Merwin had a son John Elwood Merwin and a daughter Sally Ann Merwin.

Could you give me the present address of your two cousins? Mail to John Elwood on Airport Blvd., Houston, Texas came back as undelivirable.

Your help will be much appreciated.

Sincerely,
Merwyn

9/12/80

Dear Merwyn:

Iam afraid I will not be of much help. I have not seen or heard from John or Sally Ann since my first marriage, when at one time, they came to visit. We never kept in touch. I went through my Mom's papers (she passed away 16 years ago) to see if I could find an old address book but unable to find it. From our Merwin book, I see on P 774 that John's Dad Edwood, my Mom's first cousin, was employed in Waterbury, Conn., but would assume he is retired and probably deceased, but if you contacted them, if he was receiving a pension, that might have an address for the family. The above information incorrect. My grandfather, Frank Augustus Merwin, had a bro. Elwood Wilmotus Merwin, father of Elwood Augustus Merwin, father of John and Sally Ann. On P 368, shows Uncle El's birth as well as my grandfather's. I have another suggestion, the City Hall might be able to trace current address in Houston.
Hope you can solve your difficulty and am sorry I am not of any help.

Sincerely Irene Kilty (over)

A Mrs. Mary Hoyt, 100 Marion Ave., Milford, Conn., called while back and she is the great granddaughter of Harry Merwin P. 368 - 2409, who was born 10/3/1861 in Milford and deceased 12/24/1910.

At that time she was not aware of the Milford Assoc., etc. and she has that family's information and I have given her your name and suggested she write to you, in order that in the new ~~Geneoly~~ Genealogy this can be added.

I just called her to see if she had any information on the Elwood Merwin's and she does not know anything about them.

Dear Sally:

As I promised last night on the phone, here is an order blank for the genealogy published in 1978 and a dues form. If you wish to send me your dues, I'll forward your check to Gaius Merwin or send it direct as you wish. At any rate, please send your family information direct to me.

Enclosed is a photo-copy of your brother's entry in the genealogy and his record sheet. Please fill in the encircled items.

Your biography in the book says, "She was granted a B.S. degree by the University of Houston".

It was great talking to you. Your help is much appreciated.

Dear Cousin:

Enclosed are family record sheets on your brother John Elwood's family. Would you please forward them to him? The mail to him at Airport Blvd, Houston was returned as undelverable.

I am trying to get additions and corrections for a supplement to the Merwin Family in North America. Do you have a copy? If so, please check your entry on p. 773 and tell me if there is any change required. It seems complete except I have no biography for you. If you'd care to put one in, let me have it.

I'd also like to ask you to join our association. It costs but $2.00 per year and we'll keep you in touch with Merwins round the world. (Check payable to Miles Merwin Assn. please).

Dear Merwyn,

I hope you will forgive my long delay in answering, but things have been a little hectic here for the past three months. My father, Oliver T. Howard died on June 30, and my wife's mother died just 2 weeks + 2 days before that.

Dad had fallen + cut his head (8 stitches), then because of the blood pressure on his brain, had a stroke 2 days later. He was hospitalized for 2 months then came to live with us, was appearing to be getting better, then suddenly got worse + died here. We think that a blood clot that had been in his heart broke loose + went to his lungs.

Now about the children of Pearl Kienbaum. She had 4 children, in their order of age, Robert, Maxine, Vernon, and Gerald. All three of

the boys are deceased for several years now. I knew that Maxine (Kerbaum) Davidson had been in Pullman Wn. ten years ago but another cousin, the daughter of Olive Milliken, gave me a more recent address. Maxine is divorced + was last known to be living with a daughter in the Seattle area. Here is the address

Maxine Davidson
4703 - 237th Pl. S.W.
Mount Lake Terrace
Wash. 98043

I trust that she can still be reached at this address.

Yours truly,
Oliver W. Howard

Dear Cousins:

Enclosed are family record sheets showing what I have been able to learn (from my records and your sister, Linda) of your family. Please make any needed correction or addition and return them to me for inclusion in The Merwin Family in North America supplement.

To be entered in the book, you must be a member of the association. Annual dues of $2.00 covers you and your unmarried children. Send me a check payable to Miles Merwin Assn. I'd also like a brief biography of you both.

Best regards,
Merwyn

Dear Cousin:

For over a year, I have been corresponding with you in the hope that I could present your family completely and accurately in the Supplement we are writing to MFNA.

I have repeatedly asked you for your mother's address yet you ignore my question. Why?

I have repeatedly told you that persons not born Merwins must become members of our association or I can only show their name and date of birth in the Supplement. Yet neither you nor your brother have joined. In fact, your brother has not even answered my letter of Dec. 2, 1980. I can't ask your mother to join because I do not know her address.

So, Linda, it is up to you. You can be in the Supplement or not as you choose. But please be kind enough to tell me your intentions so I may complete your file one way or another.

Sincerely,

Merwyn

Dear Mrs Buchanan,

I think you misunderstood the letter that I sent to Gavis Merwin.

Olive Winnifred Merwin passed away December 14, 1979. She was my grandmother. She was born in Hot Springs S Dakota Aug 14, 1895. She married Owen James Milliken April 13, 1926. They had 1 daughter, Doris Ione, who married Wendell Weston Dietrich October 24, 1949. They had a son Orlin Eugene and a daughter Linda Lucille. That's me. Orlin was born July 7, 1950 and I was born December 4, 1954. Orlin was married Jan 29, 1971 to Pamela Rae Meyer, I was married to Daniel Lee Buchanan November 10, 1974. Orlin and Pam had a son, Rodney Eugene, born August 11, 1976. Dan + I have no children.

I hope this clears things up for you.

Olive was living in Davenport and is buried next to Owen at the Cemetary in Davenport.

Dear Mrs. Buchanan:

Your letter advising us of your mother's passing was forwarded to me by Davis Merwin.

I'm sorry to hear about your mother, but appreciate the information as I need such information for the supplement to the genealogy of the Merwins. One question. Was your mother living in Davenport, Wash. at the time of her death? Could you also give me the name of the cemetery (and its location) where she was buried?

I see you must have remarried (a man with the fine name of Buchanan) since the MFNA was written. Will you please give me complete information about Wendell W. Dietrich - date of death or divorce - names and birth dates of any children. Date and place of marriage to ______ Buchanan - children?

Also can you give me any additional info about your mother? Is your family still involved in Roy's Motel?

If you would care to join the Miles Merwin Assn, we would be delighted to have you. Only costs $2.00 a year and it would enable us to keep up with you and you would receive info about the association on a regular basis.

Sincerely,

Merwyn Buchanan

Dear Merwyn,

Thought you would be interested in the enclosure. Perhaps you already know. Olive had been a member since 1962. (Sent a copy to Charles)

I have sad news. Una is not well. She has been in the hospital for two weeks – due home tomorrow. Clarice sent me most of her records (looked like a case of booze) including some mail which as far as I could tell had not been answered. I have done that so we are uptodate although I don't understand how she kept her membership records. Guess I'll have to rely on mine until Una gets back in harness or we find a new secretary. I have written to Clarice to see whether the latter will be needed.

I have been in touch with C.H.S. with regard to fees. This next go around will cost us something including storage of our books. Don't know just how much it will cost but should hear soon.

In the meantime we have our first contribution - $1,000. I have to get busy on that score.

Life continues to be busy both on and off the job. We are well here - hope you all are -

Tink joins in sending our fond regards

Best wishes

By this time I'm sure you have concluded that I am a pest. My only defense for bothering you so much is my desire to show your family as completely as possible.

I'm enclosing a draft of the revision I'm making in Volume II for your family. Please give me and further changes required in the detail as written. You'll note I need the parents of Pam and your husband. I'd also like your parents' present address.

Thank you for your cooperation.

Dear Cousin:

We need your help in preparing the supplement to the Merwin Family in North America.

Enclosed is a copy of your family's entry in MFNA. Is there any change you feel should be made? Particularly in the personal history section up-dating may be necessary.

If you have children over eighteen years of age, you will find enclosed a Merwin Family Record blank. If your child is married, please complete the family record for him or her and return it to me.

Your help is much appreciated.

Sincerely,

Merwyn

Dear Linda:

Thanks for your recent reply to my letter. I have written Merwin family record sheets for your parents, your brother and you. You'll note just a few missing items are still needed.

May I suggest you fill in the personal history section on the reverse of the forms. We want the supplement to contain more than just statistics.

In order to be included in Vol. II, you and your brother must become ~~mem~~ members of the association for just $2.00 each a year you can be members. You see the genealogy is for the male Merwin lines. Females born Merwins and their families are included (e.g. your grandmother). But female descendants not born with the name Merwin must be members; also males descended from a female Merwin.

Sounds complicated, but we must stop somewhere. We'd love to have you and your brother join us.

Best regards, Merwyn

I did not get your letter till after stated closing time

I do not consider myself a Footnote. My Dad Oscar Weston Merwin was the son of - Aaron Hoag Merwin. All that information should have been in their long ago.

I have spent too much time in hospital & just doing as Drs. told me too.

Here is cold. Almost zero again

As you are probably aware, the Merwin genealogy which is currently being prepared for publication will list only those persons whose surnames are Merwin. Thus, a married female Merwin will be shown together with information about her husband and children, but there that line will end.

There is one exception to this rule which I believe applies to you and me. We may include, in a footnote, the direct line of descent of a dues-paying member of the Miles Merwin Association from a female Merwin ancestor. (I'm a "footnote" Merwin since I am descended from my great-grandmother, Mrs. Fannie (Merwin) Suydam.)

Although you may have already furnished this information to the association, I would appreciate your filling out the enclosed form and returning it to me. That way, the information will be concise and current. Only forms returned to me by November 15, 1977 will be included in the genealogy since we are rapidly completing the manuscript.

Send the forms to:

Dear Cousin:

Thank you for the family information you recently sent me. There are one or two remaining problems as indicated by the checkmark below:

(✓) Missing bit of information:

Does you husband have a middle name?

Please give me any needed correction of enclosed rough draft of your family entry.

(✓) A short biography is needed of both you & Michael. Include schools attended, degrees earned, occupation, military service, civic or church service, etc. (Give full name and location of schools; indicate date(s) of graduation, military service; grades or ranks held; names of companies where employed).

( ) You overlooked enclosing your check for dues. Your family will not be in the supplement unless you join. Annual dues are $2.00. Please send me a check payable to Miles Merwin Assn.

Essential!!!

Sincerely,

Merwyn

Feb. 22, 1981
Spokane Wa.

Dear Mervyn,

Please find enclosed the forms for both Caren + Dan. I have sent the other ones to both Dave + Marlene so they will have to send them in themselves.

We go in to Court this Wed, 25th, so by next Friday or Monday Caren's divorce will be final from Chas. Wolf + custody of her son Curtis will be established. We have legal custody at this time + seek to have this continued.

Dad was born Aug 30, 1896, at Bartlet Texas.

Gladys middle name was Marion, it is the male spelling, but that is how her folks did it.

It sounds like you have mom living at 7001 W second St, Spokane. This is dads address, but mom died July 13, 1969.

Also, Grace's name at the time of our

Marriage was Skocilich (SKOCILICH). Lennebacker was her maiden name.

Not too much exciting about me. I went to school at Elk Wn, High school at Riverside Hi (Milan Wn) North Central Hi (Spokane) + graduated from prairie Bible Inst H.S. in Three Hills Alberta. (no degrees) I spent 37 mo's in the army during W.W. II (Mar 1943 - Apr 1946) Basic Training at Fort Knox Ky in 527th armored Infantry, was put in limited service because of my eyes, spent 15 mo. working at Fletcher Gen. Hosp. in Cambridge, Ohio, then went to the C.B.I ~~theatre~~ (China, Burma, India) with the 96th Field Hosp. After Military serv. I spent nearly 10 years as a soft drink salesman, + went to work for Kaiser Aluminum, Feb. 21, 1956, where I am now employed as an Oil Filter operator.

I became a born again Christian on July 14, 1938, + present membership is in the 1st Assembly of God Church in Spokane.

We live on a small (37 a) farm just outside Spokane + enjoy traveling + camping in our travel trailer.

Hope you can get a little from this that will be of value. Yours truly, Clever W. Howard

Dear Mervyn,

Please forgive me for not answering sooner, but I think I now have the information you asked for, plus, our box # is 22. It was changed 3 years ago but dad is one of the people who can't remember.

In addition, Lola, my sister has been divorced for many years & has retaken her maiden name of Howard.

My daughter Caren is in the process of divorce from Charles Wolf & this should be final about Feb. 17.

I think this gives you the information that you need.

Dear Mervyn,

We just returned from a three week trip to Calif. & your letter was in the pile that was waiting for us. I'm glad you sent this to be proof-read because I have found several items that need to be corrected.

My son David & family were over from Montana this week-end. He has been intending to send the family information you desire, but because of his involvement in a new business just hasn't taken the time. I urged him to write right away.

My brother Lloyd died in Feb. 1945, he was an aerial Machinists Mate 3/c & a nose gunner on a Navy B-24. I'm not sure where to look to find the day of the month, but it was in Feb. 1945. They were

based on the island of Leyte & their mission for that particular day was to photograph Japanese prison camps on Formosa. They just simply flew out on their mission & never returned.

Kathleen Estella Merrin was born Nov. 8, 1898 (not 1897)

My first wife, Gladys Marion Pipgras was the daughter of Lester & Violet Pipgras. (Johnson was Violet's maiden name).

Because of an extended custody suit involving a grandson, Grace neglected to send the information in on her first marriage as soon as she should have but you should have it by now. In case it may have gone astray in the mail, however, I'll give another quick rundown on it. Her first husband was Mathew Skoulish. Her Children are (1) David Skoulish, (Spokane) & his wife is Natalie. They have 2 boys, Noah & Joseph.

(2) Next is Anne Sersin (husband Lionel)
They have 3 Children, 2 daughters Kerri +
Kelly, + a son Mathew. (3) Next is a son
John Spoilist, Bellevue Wa. + not
Married. (4) Next is another daughter
Mary Davis (husband Louis). They
live in Portland Ore. + no Children.
(5) Last is a son Mark Spoilist, Spokane, +
single.

These items of information should
pretty well bring things up to date

Yours truly

Oliver W. Howard

Dear Oliver:

By now it is quite obvious that your sisters are not interested in having their family entries in the Supplement. Also, only you and Daniel of your immediate family are interested.

Accordingly, I'm going to close out the Kathleen Estella^{10} Merwin entry as shown in the enclosed draft. I am submitting it to you for your review. Please give me any corrections needed. I think you understand that non-members will have only their name and date of birth shown.

I would like to show the date of your brother's death. Obviously he didn't die during the war (as MFNA says) if he died in 1946. The war was over in 1945. Did he die of wounds suffered in the war? If you wish to give me details, I'll include them.

Your help is much appreciated.

Best regards,

Merwyn
